SUBJECT: Underground Storage Tank (UST) Closure - New York Carpet World, 3435 Myer Lee Drive, Winston-Salem, Forsyth County

Dear Mr. Britvan:

On March 31, 1997, we received the soil sample results and closure assessment for the subject location. After careful review of your report, it appears that no further action is warranted. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Curtis J. Bakle at the letterhead address and/or telephone number.

Sincerely,

Sherri V. Knight
